Old Books and Antiques Abound

A Weekend for Lost Treasures in Marion

Antique collectors possess a keen sense of "the timeless." They answer a call to possess objects of art which, in essence, capture a specific time and place in history.

For the collector of rare antiquities, there is as much joy to be found in the acquisition of a 100-year-old navigaitional tool as there is in the purchase of a brand new sailboat; as much fun in obtaining Revolutionary War period clothing as getting a custom-fit, tailored suit.

Fifty of these antique collectors and dealers will converge for the Third Annual Marion Antiques Show and Sale this weekend — August 19 - 21 — in the Stone Gymnasium at Tabor Academy. A benefit for the Sippican Historical Society, the event has become a highlight of the summer season, and draws close to 2,000 people from throughout New England and other points south and west.

Dubbed "a little gem" by many of the dealers and patrons who attend it, the show has grown in popularity over its short life span and is the largest of its kind in New England. Unlike many antique shows which display their goods on table or counter tops, this show is geared toward elaborate room settings and full-size display cases. Each vendor is allocated an ample 14- by 18-foot space, where patrons can walk in and browse, allowing each dealer a chance to set up a theme or room setting.

Although the show has managed to retain some 90 percent of its first-year participants, there are still vendors who are eager to jump on board. One novice dealer this year is Tabor Academy alum Larry Mulaire of Barnstable, who will be returning to the gymnasium of his alma mater for the first time since graduating in 1970.

"I'm very excited to be participating in this new and growing show," Mr. Mulaire said. "I really think the Marion Antiques Show is an up and coming showcase ... and I'm looking forward to (this) weekend."

Mr. Mulaire will be bringing a general line of American antiques and decorative arts to the show, including some whaling-era macrame and sea shell crafts.

Like so many other unique exhibits which will be on hand at the Marion Antiques Show, Charlie Bascom describes his own "Gentlemen's Toys" display as "an appeal to the male half of the show visitors." Joining forces with locals David Arms — who is also the Chairman of the Marion Antiques Show this year — and Don Wing, Mr. Bascom's exhibition will include old hand tools and various nautical antiques which should interest men and women patrons alike.

"We started collecting these things as a hobby," Mr. Bascom noted. "But as time went on we decided to start our own business." Mr. Bascom and company are returning for their third consecutive stint with the show.

Much of the show's success is also credited to Manager Trisha McElroy-Brodrick, who has done very well in promoting the show both locally and throughout New England. "We first engaged her to manage the show three years ago, and she has done a terrific job in putting things together," said Mr. Bascom.

The show features a variety of dealers in 18th and 19th century furniture, Americana, Oriental rugs, porcelain, folk art, silver jewelry, rare books, European antiques, pewter, nautical items, and the like. All antiques exhibited at the show are for sale.

This year, the Marion Antiques Show Loan Exhibit will be titled "Sippican Salt and Sound," and will feature photographs and commentary on two past "industries" in Marion — the saltworks and the Marconi wireless towers. A wonderful model of the saltworks, built by Ellis Mendell in 1932, will be on loan from the Mattapoisett Historical Society, and it will be on display during the show, along with a photographic exhibit on the Marconi towers.

The weekend will kickoff on Friday night, August 19 at 5:30 pm with a gala Preview Party which will include a cocktail bar, raw bar, hors d'oeuvres, a string quartet, and a first chance to purchase some of the displayed treasures. Preview Party tickets are $25 per person or $20 if prepaid in advance. Preview Party tickets also include general admission to the show on

both Saturday and Sunday. Last year, close to 500 people attended this first night event.

Throughout the weekend, a Silent Auction will also be taking place. Some of the items donated for the auction include a painting from Rogers Gallery in Mattapoisett, a garden statue from Eden Landscapes in Marion, a painting from Charles Parsons, a Victorian wicker chair from the Marion Antiques Shop, a golf bag and golf balls from Titleist, and a collection of gift certificates from area restaurants. Patrons are encouraged to submit written bids on each of the items and the highest bids will be awarded at the end of the weekend.

Sunday, August 21 has also been deemed "Heirloom Discovery Day" at the show. A highly qualified panel of six expert appraisers will be on hand from 1:00 to 4:00 pm to verbally appraise any antique article that is brought in to them. There will be a charge of $5 for any two objects (maximum of two per person). If a piece is too big to bring in, patrons are asked to bring a clear photograph. Proceeds from the appraisals will go directly to the Sippican Historical Society, as the appraisers have donated their services for this event.

The Marion Antiques Show will be open to the general public on Saturday, August 20 and Sunday, August 21 from 11:00 am to 5:00 pm. Admission is $4.50 per person. For further information on the Antiques Show, please call 748-1665.

Also on tap for Marion this weekend is the Elizabeth Taber Library Used Book Sale, which will take place on Saturday, August 20 from 10:00 am to 2:00 pm at the Music Hall (corner of Front and Cottage Streets). Slated to coincide with the recent birthday of its namesake (Elizabeth Taber was born on August 14), the sale has also worked to complement the Marion Antiques Show.

"We kind of held our breath last year when we scheduled it on the same weekend as the Marion Antiques Show for the first time," said Library Trustee Chairman Marthe Soden. "But everyone benefitted from having the book sale and antiques show on the same weekend."

Mountains, mounds, stacks and skyscrapers of books — both paperback and hardcover — will be available for purchase at this annual fund raising event, along with a good selection of video and audio tapes, as well.

"We've got more books than we've ever had in past years," said Ms. Soden. "Most of the books were donated to us, but we also have a selection of older titles which have been pulled from the library shelves."

"The number of donated books keeps growing

every year," agreed Beth Davis, this year's Book Sale Chairman.

As in past years, the sale will include various titles on local history, sailing, cooking, and gardening. Children, especially, will enjoy coming away with a whole bag full of books for a very small price. There are always "treasures" to be found at this annual event. One year a patron discovered a hollowed-out book with a very old set of men's garters tucked carefully inside.

A special preview will be held on Friday night, August 19, from 6:00 to 8:00 pm for members only of the Friends of the Elizabeth Taber Library. The preview will include refreshments and will offer a first-glimpse at the amassed collection of books for sale.

So, before strolling down Front Street to attend the Marion Antiques Show at Tabor Academy, be sure to stop in at the Music Hall and browse through the treasure trove of books at the Elizabeth Taber Library Used Book Sale. There are virtually no limits to what you might find in the heart of Marion this weekend.

Housing Co-Op submitted the minutes of the July 25 meeting.

The Annual SEMASS Run for the Environment will be held on Saturday, October 1. Selectman Mahoney suggested asking Police Officer Anthony Days to be the town's representative for the Run. Mr. Mahoney said he had witness Mr. Days run in other events and was impressed by his performance. The board will be looking further into the search for a Run representative. Volunteers should contact the Town Hall.

Cynthia A. Follis of East Onset, applied via a letter to the board, for an appointment as Constable to the town. Ms. Follis will be contacted regarding the scheduling of a meeting with the board. Currently the town has two elected constables and one appointed.

Under the Executive Secretary's Report, Ms. Adams opened a discussion on a Education Reform Bill statute that relates to the formation of a scholarship committee and supplemental educational funding. After some discussion, it was decided that the phrase "and to establish an educational fund for local educational needs" indicated a fund separate from a scholarship fund and thereby does not require the formation of a committee. The board, however, will seek additional clarification of the matter with Superintendent Joan Walsh.

At 7:30 the board met with Rick Brown and Attorney Mulford to discuss the sale of the 12 Water Street property. Also present were Mr. and Ms. Daniel Mello. The Mello's are the party interested in purchasing the property located at 12 Water Street. They intend to transfer the property to a single-family dwelling.

Mr. Mulford informed the board of the current status of the sale. The sale of the property as a liquor store, Mr. Mulford said, was difficult considering the existence of larger discount liquor stores. Consequently, the sale of the property with the intent of a single-family dwelling was attractive.

First, they have made arrangements for the transfer of the liquor license to Circle B Convenience

Secondly, Mr. Mulford sought permission from the board to make use of the town-owned park for the purposes of altering the building to correct its encroachments on the town property. For this they will need a special permit. The board plans to meet with the Building Inspector regarding this issue.

Thirdly, they seek advice in their attempts to be exempt from the side line requirement of the zoning laws for parking. The board said they will approach the Board of Appeals to issue stickers for wharf parking as an alternative to the side line requirement.

Upon leaving, Mr. Brown was asked if he was sad to leave the property. Mr. Brown responded: "My daughter left for college today ... it's just like that."

There being no further matters to come before the board, a motion to adjourn was unanimously approved at 8:15 pm.

The Fairhaven Board of Selectmen next sent a letter to the Marion board asking if they would be interested in receiving a free monthly newsletter from The Nemasket Group, a non-profit agency in Fairhaven which provides services to people with disabilities over the age of 22 years. Chairman Schaefer noted that the newsletter would be a beneficial source of information.

Rochester resident Bruce A. Maksy, Sr. next sent a copy of his letter to Marion Town Counsel Thomas P. Crotty regarding property in the Rochester/Marion area which is accessed via Parlowtown Road in Rochester. Mr. Maksy informed Mr. Crotty and the board that the access road has been blocked with a gate placed there by Frederick and Patricia Tomkiewicz. Mr. Maksy noted that he has recently filed a law suit against Mr. and Ms. Tomkiewicz to restore his rights of access across Parlowtown Road.

Chairman Schaefer said the Marion board has addressed a letter to Rochester Selectmen Chairman David L. Hughes, requesting that the gate be removed to allow Marion residents to gain access to this area as their only route.

Andrea D. McGee, the Run Coordinator for the SEMASS Run for the Environment, next sent notice to the board that the annual event will be held on Saturday, October 1 and as a contracted community, Marion is being asked to again sponsor a runner for the event. Registration deadline is September 28, and only one designated runner can represent each community. Chairman Schaefer asked her fellow board members to consider a candidate for this position and perhaps recommend someone at

At 7:15 pm, Ann Washburn of the Cemetery Commission came before the board to discuss the maintenance and care of Old Landing Cemetery. According to a report from DPW Superintendent Rob Zora read earlier in the evening, work will be progressing at the site throughout the next week. Ms. Washburn and her fellow commissioners would like the cemetery cleaned up and other work completed in the near future.

"We'd like to have Old Landing Cemetery put in as a priority item," Ms. Washburn said. "There is a great deal of work that needs to be done there, and nothing has been done in several months."

Although Ms. Washburn is not faulting the DPW — because she understands they have many other projects to complete — she feels Old Landing deserves prompt attention. The Selectmen concurred with her sentiments and agreed to have all the necessary work done by September 15. "We'll make every effort to see that the cemetery gets finished," Chairman Schaefer agreed.

The board next received a memo from Roger S. Whalen, Chairman of the Marine Resources Commission, advising them that Shellfish Officer Charles Bradley has deemed a section of Planting Island Cove closed to shellfishing, effective immediately. The area now closed encompasses where a red marker is placed by the old Secatore pier off the residence at 5 Island Court on Planting Island to a second red marker to be placed on an easterly line to the opposite shore off the residence at 418 Point Road. Mr. Bradley has also recommended the opening of Planting Island bar to softshell clams for the season, commending September 18.

Another memo from Mr. Whalen advised the Selectmen that the new Commercial Numbers Regulation be followed and enforced in Marion waters. This regulation requires that all commercial fisherman licensed by the Town of Marion should display an assigned number while fishing. The numbers shall be six inches high on a yellow background, not less than 12 inches in length and eight inches in height. The numbers should be visible from both sides of the boat being used for the fishery. If fishing from a shore, a floating device shall be used which will also display permit numbers from both sides and be of the same size as those required on a boat. The floating device should be within 50 feet of

the commercial fisherman.

The Selectmen agreed to make this regulation effective as of September 1, allowing local commercial fisherman the opportunity to purchase and affix the regulation-sized numbers to their boats and floats.

Conservation Commission Chairman Dennis Luttrell next came before the board to inform them that at a meeting held earlier in the week, the Acushnet Conservation Commission had signed on to use the services of Regional Conservation Agent Laurell J. Farinon, combining with Rochester and New Bedford in a regional agreement. Marion, in effect, is now out of the loop for Ms. Farinon's services, which will end January 1, 1995.

"I know you did your best in trying to keep (her) on," said Chairman Schaefer. "And I still maintain it's Marion's loss."

At 7:30 pm, John T. Mahoney III and Joseph Lobosco came before the board to discuss an alternative solution to the Delano Road subdivision project. Mr. Lobosco noted that after initial discussion with town representatives, he was never told a police detail officer would be required at the site unless the road was partially opened to traffic. "The street has been closed each day of work since the project began," Mr. Lobosco said. "I've been to the Police Chief and he feels a detail officer is needed, and I can't argue with him on that. But I wish this was made clear before we began working."

Mr. Lobosco and Mr. Mahoney both maintained that the additional costs incurred in hiring a detail officer for each day of work are mounting, and were not part of their initial budget.

"What we're attempting to do here is mitigate some of our expenses," Mr. Lobosco said. "I was hoping in the spirit of cooperation maybe something could be done."

Chairman Schaefer said she sympathized with Mr. Lobosco, but the board couldn't really offer any viable alternative. She recommended that both men go before the Zoning Board of Appeals to see if their lot could be subdivided into two smaller parcels, but otherwise there was nothing they could do to alleviate their financial burdens.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 8:00 pm.

Rochester Selectmen's Meeting

August 15, 1994

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, August 15 at 7:00 pm by Chairman David L. Hughes. Also present were Selectman Lorraine Roy Hawkes, Selectman Michael Murphy, and Administrative Secretary Shirley A. Ferreira.

After approving the minutes of the August 1 meeting, the board reviewed notices for the week beginning with a Conservation Commission Public Hearing which will be held on Tuesday, August 16 at 7:30 pm to amend an Order of Conditions issued to the Todesca Equipment Corporation. Also noted were a series of Public Hearings for the Board of Appeals to be held on Thursday, August 25 at 7:30 pm upon the request of Jean E. Rose (occupancy of a trailer); 8:00 pm upon the request of William O'Neil d/b/a Utility Precast & Concrete Company (expansion of business); and 8:30 pm upon the request of Vincent Barboza (variance from setback requirements).

Chairman Hughes also advised his fellow board members that the SEMASS Run for the Environment will be held on Saturday, October 1, and the town has been requested to select a designated runner for the event. Chairman Hughes recommended that the board notify Old Rochester Regional High School and ask that they choose someone from the ORR Track Club to run on behalf

of the town, with any winnings to be donated to the club and their track restoration efforts. The board unanimously approved his recommendation.

Under the board's signature for the week, the Selectmen unanimously approved a local official bond for Tax Collector Thomas Gayoski Jr., signed an annual renewal of the Mary's Pond Lease for $1 to allow residents to fish at the site, and unanimously approved the following Democratic Election Workers for the town:

Evelyn R. Benner (clerk); Carol Leconte (deputy clerk); Margaret Doane (inspector); Yvette Ducharme (inspector); Edith Lizotte (inspector); Shirley Reed (inspector); Nancy Stopka (teller); Marie McCarthy (teller); Virginia Cutler (teller); Lillian Reynolds (teller); Candy Morse (teller); Flora Grenier (teller); Susan Kucinski (teller); Kelly Hartley (teller); Janice Look (teller); Irene Morgado (teller); Otis Shaw (teller).

Under Old Business, Chairman Hughes cited receipt of a letter of interest from Mike Cambra, who is interested in filling a vacancy on the Board of Health. Chairman Hughes noted that the letter would be held for the August 29 meeting, at which time a candidate would be selected to fill the position.

The board also received letters from Police Chief Walter V. Denham and Police Lieutenant James E. Simpson asking the board to reconsider their decision at the last meeting to sell off police cruiser #84. Both officers, who

were present for the meeting, felt the vehicle could still be used for light duty as a backup unit.

"At the last meeting, we opted not to keep the cruiser because it has over 100,000 miles on it and it's had trouble starting," Chairman Hughes said. "I felt it was in the town's best interest to dispose of it."

But both Chief Denham and Lt. Simpson concurred that the cruiser would be ideal for transporting department members to the training academy and for use as detail work to caution motorists against downed power lines and at accident scenes. "When you need a cruiser for detail work to stabilize an accident scene, all that's required is to have the vehicle present with the lights revolving as a precaution," Chief Denham said. "If we use

this cruiser, it will free up the other vehicles for patrol duty."

Selectman Murphy asked if they both felt the vehicle was safe to drive and keep in service. Chief Denham said all it needed was a new set of tires, which would cost around $200. In response to the vehicle's starting problems, Chief Denham noted that some minor repair work was done on the car to correct this malfunction while waiting for the new cruiser to arrive.

Lt. Simpson echoed Chief Denham's sentiments. "This cruiser would be ideal for transporting officers to and from the academy," he said. "I wouldn't recommend keeping it in full service ... but as a backup unit I think it would be useful and the mileage on it would be minimal."

Having heard the officers' reasons for keeping the unit as a backup, the board decided to change their previous decision to sell off the old cruiser at a minimum bid of $300. "I'll make a motion that we allow the police department to keep the old cruiser and put a new set of tires on it," said Selectman Murphy. "But if it requires any major repair work, it should be taken out of service."

The board unanimously approved Selectman Murphy's motion.

Chairman Hughes next cited a request from Town Treasurer Doris Boucher to borrow two notes totalling $800,000 to pay off several bills. But Chairman Hughes noted that he checked with Town Accountant Claudette

Coutu earlier in the day, and as of this date the town has roughly $1,204,000, with another $551,000 available in accrued interest on August 21.

"I'd like to have an explanation as to why we're borrowing $800,000 this early in the fiscal year," Chairman Hughes said.

Selectman Hawkes said she felt that if Ms. Boucher was asking to borrow the money, she must have a good reason. "I don't think she'd go through all this unless we needed it," she said.

But Chairman Hughes was unwilling to approve said notes until he found out the reason. "I'm not ready to sign any notes until I get an explanation," he said.

With that, Selectman Hawkes moved to approve and sign one note from BayBank in the amount of $700,000 and one note from the National Bank of Fairhaven in the amount of $100,000, which was seconded by Selectman Murphy and passed via majority vote, with Chairman Hughes abstaining.

Chairman Hughes next cited a letter from Town Counsel Kopelman and Paige, P.C. regarding the recent controversy surrounding overtime payments for town employees who work for several departments. Attorney Everett J. Marder addressed several questions posed as interpreted under the Fair Labor Standards Act (FLSA).

First, he opined that an employee of the town who also serves as an on-call firefighter should only be paid overtime within each individual job — in other words, if

they work over 40 hours as a firefighter, they would be paid overtime based on that salary rate; if they work over 40 hours in their regular job, they would be paid overtime based on that rate. The hours would not be combined.

Second, Mr. Marder noted that an employee who works both for the Town of Rochester and the ORR Regional School District is working for two separate employers and would not be able to combine total hours for overtime payment.

Third, dispatchers for the Town of Rochester are employed as civilians, and are not sworn to duty as public safety officers. Under the FLSA, civilian dispatchers would be entitled to overtime pay after completion of a forty-hour work week.

Lastly, an employee who works 24 hours a week as an EMT and 24 hours a week as a dispatcher would not be eligible for overtime payment under either rate. However, under these circumstances, Mr. Marder noted that overtime payment could be based on a blended rate. Mr. Marder recommended that 20 hours at the EMT rate be added to 20 hours at the dispatcher rate, and the total be divided by 40 to determine the overtime payment rate.

Upon reading this opinion, Chairman Hughes noted that the town has one of three options — they can ask the various departments to adjust their schedules to ensure that overtime payments are not required; they can call a meeting with all the departments involved and perhaps recommend that an article be placed on the next Special Town Meeting warrant to rectify this situation; or they can keep everything status quo and not change a thing.

"It may be against the law, but since no one's complaining we can keep things they way they are," Chairman Hughes said. "It's been working all right for us so far."

But Selectman Hawkes felt that this matter should be discussed with those employees who are directly affected and suggested that a meeting be held to consider it further.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 7:45 pm.

Letter to the Editor

To the Editor:

Congratulations to everyone who contributed to the kickoff of curbside recycling by cleaning up their recyclables and putting them on the curb during the first week of August. Participation was estimated to be between 65 and 70 percent ... an excellent beginning!

Most of what was put out was put out on the right day and in the right condition. Some was not and had to be left behind in the bins. A fair number of households put their bins out the following week. They now know that recycling pickup is *every other week* only. (The less frequent pickups reduce the cost of starting curbside pickup almost in half.)

Also, many containers were put out with their tops still on them. Remember: all caps, rings, and metal foil must be removed from containers; only paper labels may remain. (Caps, rings, and foil are made of different, mostly non-recyclable materials. Unlike paper labels, they don't burn off during reprocessing. Instead, they contaminate the collection.)

So a big cheer to Mattapoisett for a good start. Let's aim for 100 percent participation.

REALTOR

SELL YOUR HOME YOURSELF?

I'm sure you've heard it said: "Why should I sell my home though a REALTOR? I can sell it myself and save a lot of money." Right?.....Wrong!

This kind of thinking usually turns out to be financially unwise. The prospects will usually start by mentally deducting the commission and then start negotiating from there. On the average, a home owner saves little or no money when he sells his own home. In fact, the opposite is often true. A lot of time is wasted showing homes to unqualified curiosity seekers and many possible sales are lost because the owner did not possess the experience to financially structure a viable sale in today's fast-changing money market.

As a private seller you're at a great disadvantage in the intricate areas of financing, negotiation and protecting yourself from all sorts of do-it-yourself pitfalls. You've got a lot invested in your home. It makes sense to list it with a REALTOR. He'll sell it for you - without hitches - for the best price and in the shortest amount of time.

To the Editor:

The 1994 Summer Reading Program at the Joseph Plumb Library ended on Monday, August 15 with an awards ceremony and magic show. This year's reading program was a great success, with over 75 children ages 2 through 12 participating. The number of books and other library materials circulated in July was the second highest in the library's history.

I would like to thank all those who helped make this year's program such a success: Donna Costa for her enthusiastic Monday night story/craft program; the Highway Department and Fire Department for bringing equipment to the library and sharing their knowledge with the kids; Dane Brown for sharing his love of trains; Sue Norton for helping spread the word; and Debbie Martin for reading stories and doing crafts on Fire Truck Day.

I also want to thank all the businesses who supplied reading incentive prizes: Country Charm Flower Shop; Movies and More; and Burger King of Middleboro. I am indebted to Dempsey's Village Sampler and the Friends of the Plumb Library for supplying raffle prizes.

Congratulations to all the participants of the Summer Reading Program — you did a great job!

Sincerely,
Lucy Van Petten, Director

The E-911 Telephone Emergency system has the capability of identifying locations as having special needs for disabled persons, i.e. blind, deaf, or hard of hearing, on life support systems, mobility impaired, speech imparied, etc. Should you call for emergency services, the personnel responding would be aware of the special needs at your address. To take advantage of this feature you may complete the very simple request form available in the Town Clerk's Office.

SHARE Program

The SHARE Program in Rochester is looking for people who would like to volunteer a few hours on the fourth Saturday of the month to go to Canton and help the Rochester Lions Club to bring the package to us to distribute. The COA will provide the transportation. Please call Joe McCarthy at 763-8723, or 763-3500 for more details.

SHARE is a non-profit, community development organization which offers nutritious food packages ($25-$35 value) to anyone for $13 plus two hours of volunteer work in the community. SHARE is not a government program and is funded solely through the price of the food package.

By pooling thousands of dollars across the nation, SHARE purchases food at wholesale prices and passes the savings on to participants. Volunteers distribute the food through a network of 410 Host Organizations throughout New England. People become involved with SHARE to save money and because they enjoy helping others. Volunteering in your community means big savings for you and your family.

Mattapoisett Historical Museum

Time is running down for you to visit the Mattapoisett Museum and Carriage House this summer. The wonderful exhibit of Mattapoisett collectibles is still on and we encourage everyone to view it before the end of the month.

Summer visitors can take home a Mattapoisett remembrance in the form of any one of the following Mattapoisett memorabilia now on sale at the museum:

- "Mattapoisett Doorways" Poster — This black and white poster has photographs of sixteen different interesting and attractive doorways of homes around the village. Printed on heavy stock paper, the poster measures 20 x 30 inches and is priced at $10. A key to the houses in the poster is also available and a mailing tube may be purchased for an additional minimum cost.
- "Tried and True Recipes" — The Historical Society's latest cookbook.
- "Walks Around Mattapoisett, Vol. 2" — A second printing of this work is now available. The first volume will also be reprinted and available soon.
- "Wanderer" Notepaper; Town Hall and Gazebo ornaments; tiles; "Mattapoisett and Old Rochester" Book (reprint); Reprint of 1856 map of Rochester territory; and "Shipbuilders of Mattapoisett" pamphlet.

All these items can be purchased during regular museum hours or by calling 758-2844.

The Museum will be open through Saturday, September 3. The hours have been extended to allow you and perhaps your Labor Day weekend visitors a chance to stop by before the end of the season.

Coastline Elderly Services

Director Appointed to State Committee

Coastline Elderly Services, Inc. announced recently that its Executive Director, Charles Sisson, has been appointed to serve on the Executive Committee of Mass Home Care, the statewide group that represents 30 non-profit elderly service agencies. Mr. Sisson will serve as one of ten people who will help guide policy for the statewide group.

Mass Home Care is a membership organization which provides information and access to community-based services for the elderly as an alternative to nursing homes. Mass Home Care also advocates for the rights of older people, and was successful this past year in opening up a free drug program for the elderly and expanding money management services for senior citizens.

"We are thrilled to have people with an aging background like Mr. Sisson," said Joan Butler-West, President of Mass Home Care. "We're facing enormous demographic challenges in the next few years. Our older population is growing much faster than any other age group. Mr. Sisson has been a leader in the aging field, and we're proud to have him on our team."

Mr. Sisson has been the Executive Director of Coastline Elderly Services, Inc. since 1985. He will serve on the Executive Committee of Mass Home Care for a one-year term. Some 33,000 Massachusetts elders receive home

Globe Theater Presents "Harvey"

The Globe Theater Troupe, Inc. of Rochester will present "Harvey" in the delightful air conditioning of the new Wareham High School Auditorium. "Harvey" is the Pulitzer Prize-winning play written by Mary Chase. This perennial favorite will be performed on Friday and Saturday, August 19 and 20, at 8:00 pm.

"Harvey" was first performed in New York City in the mid-forties and became an instant success. The story follows the adventures of Veta Louise Simmons and her daughter, Myrtle Mae, as they try to separate their uncle and brother, Elwood P. Down, from an unseemly — or, rather "unseenly" — friend, Harvey. Made into a motion picture starring James Stewart as Elwood, "Harvey" has attracted theater-goers of all ages for the past 50 years.

The Wareham High School Auditorium is completely handicapped-accessible and large print playbills will be provided. Wareham High School is located at the end of Viking Drive off Route 6 in Wareham, behind the Wareham Town Hall. "Harvey" is produced in part by funding from the Wareham Arts Lottery Council, the Massachusetts Cultural Council, and the National Foundation for the Arts. Tickets are $9 for regular admission, or $7 for seniors and students with valid ID.

Narcissus and Echo Rehearsals

Rehearsals are well under way for the MAC's final summer production, "Narcissus and Echo." This musical comedy spoof is loosely based on Greek myths, and like "Into the Woods" where all the fairy tales get mixed up, in this play, the myths and gods and goddesses get mixed up in more ways than one with hilarious twists and turns in plot interspersed with bright original songs by Jeff Goode and Larrance Fingerhut. The show is under the direction of Scott Correia and will be performed nightly (Thursday - Saturday) on the weekends of August 25 - 27 and September 1 - 3. Tickets are $8 for members and $10 general admission. Reservations are now being accepted ... please call 748-1266.

CLASSIFIED ADVERTISEMENTS

A powerful prayer to the Holy Spirit -
Holy Spirit, you who solve all problems, who light all roads so I can attain my goals, you who give me the divine gifts to forgive and forget all evil against me, in this short prayer, to thank you for all things and confirm once again that I never want to be separated from you, even in spite of all material illusions. I wish to be with you in eternal glory, thank you for your mercy towards me and mine. The person must say this prayer for three consecutive days. After three days, the favor requested will be granted, even if it may appear difficult. This prayer must be published immediately after the favor is granted without mentioning the favor.
Only your initials shall appear at the bottom. M.W.

O Mary conceived without sin pray for us who have recourse to thee (3 times). Holy Mary, I place this cause in her hands (3 times). Say this prayer for three consecutive days and then you must publish; it will be granted to you. S.H.

College Athletic Scholarships

Over 100,000 collegiate athletic scholarships are available each year to male and female high school and junior college student athletes. Contrary to popular belief, students don't have to be All-State to qualify. Much of this money goes unused. A new publication with forms, sample letters, and tables of factual information is available for student athletes. It takes them step by step through the process of getting an athletic scholarship and includes college and conference listings.

For information on how to get a collegiate athletic scholarship, send a self-addressed (business size), stamped envelope to the National Sports Foundation, 611A Willow Drive, P.O. Box 940, Oakhurst, NJ 07755.

Moonlight Canoe Trip on Slocum River

Enjoy a moonlit canoe trip on the Slocum River on Saturday evening, August 20. Guided by a nearly-full moon, Lloyd Center naturalists will lead the trip under a sky peppered with stars forming both familiar and unfamiliar constellations. Be prepared to hear the mystical howling of the coyote and to see the silhouette of the great horned owl as it flies silently in search of unsuspecting prey. Many things await participants on this night excursion.

An overview of paddling skills and canoe safety will precede the trip, which is scheduled to begin at 6:00 pm and is expected to be completed by 11:00 pm. Participants should bring their binoculars, insect repellent, and any food or drink they desire. The cost of the trip is $18 for Lloyd Center members, and $22 for non-members. There is an additional charge of $5 per person for canoe rental, but participants are welcome to supply their own canoes. Participants are asked to pre-register by calling the Lloyd Center at 990-0505.

Area women who don't have health insurance can receive FREE mammograms and a physical as part of a program sponsored by a regional Breast Cancer Consortium. Mammograms are available at Tobey Hospital in Wareham and at several other locations in New Bedford and Dartmouth. The Breast Cancer Program, funded through the Department of Public Health, is coordinated by the Greater New Bedford Community Health Center, in conjunction with the Breast Cancer Awareness Program at the New Bedford Women's Center.

Those eligible to participate are women over the age of 40 who do not have health insurance. Women may arrange for the mammogram with or without a physician's referral. Anyone interested in more information can call Tobey's Public Relations Department at 291-3716, or Helena Mateus of the New Bedford Women's Center at 996-3343.

The New Bedford Separated and Divorced Support Group will meet on Monday, August 22, from 7:00 to 9:00 pm at the Family Life Center, 500 Slocum Road in North Dartmouth. This will be an Open Meeting where participants can discuss any matter pertaining to separation and/or divorce.

Bartleby Scrivener Poetry Group

The Bartleby Scrivener Poetry Group now has a new meeting place. The poetry group will be held at the Java Bean Gourmet Coffee Cafe, 26 Water Street (across the street from the entrance to the YMCA) in historic downtown New Bedford. Bartleby Scrivener Poets takes its name from Bartleby, the scribe, the main character in Herman Melville's short story "Bartleby, the Scrivener." The tale tells of a nineteenth century scribe who refuses to compromise his principles and conform to the conventions of his day.

The purpose of the poetry group is to promote discussion and give encouragement and feedback to poets in an informal, pleasant atmosphere. The format is not primarily a workshop, but rather a place where poets and poetry lovers can talk about poetry and share their work and insights.

The Bartleby Scrivener Poetry Group meets on the first Monday of each month beginning at 6:30 pm with a

News and Photo Submission Policy

The Wanderer gladly accepts any and all news and press release items from local non-profit organizations for publication on a weekly basis. The deadline for submission of said items is Monday at 12:00 noon for publication in that week's edition. Due to the increased number of submissions, however, publication of press material is never guaranteed. *The Wanderer* will make every effort to publish timely news items and announcements as the subject warrants and as often as spacing allows. All press material must be submitted in writing — we cannot accept news items via telephone.

Photographs of area events and newsmakers are also accepted and encouraged. *The Wanderer* accepts well-lit and clearly defined color or black and white photographs for publication provided they include a brief summary of the event or subject. Those interested in getting prints returned should make arrangements to pick them up at our office on the Friday following publication. Like news items, the deadline for photos is Monday at 12:00 noon and the publication of photographs is also subject to spacing constraints and therefore cannot be guaranteed.
